11th September 2026

Dear Parents and Carers,

It has been lovely having our school community back together since returning from the summer holidays. The children have shown superb determination and enthusiasm as they have begun tackling their new topics and lessons.

An 'upcoming dates' overview will be sent out next week. Please do check it carefully as new dates and events will be added over the coming weeks.

Learning Overviews

Teaching staff have emailed parents/carers with learning overviews for their children. On these overviews, you will find information such as PE days and what topics they will be learning about over the course of the half term. The learning overviews can also be found on our school website, within the class pages. If you haven't received a copy, please let the school office know so that we can check your contact details against the ones we have.

Data capture forms

Thank you to everyone who has completed and returned the data capture forms sent out in the first week. If you have not return them, please could I ask that this is done no later than **Monday 14th September?** It is really important that we have up-to-date contact details and permissions. Thank you.

School lunches

Mrs Blakeney would like to extend her thanks to all the families that have returned the preference sheets for school lunches this half term. The information will help her know in advance any changes that children need to their meals and allow her to purchase and prepare the correct quantities of ingredients. **Please note** – if 'packed lunch' was selected on the meal preference sheet that refers to parents and carers providing a packed lunch for their child.

Wishing you all a lovely weekend,
The Langdale Staff Team
