2nd October 2026

Dear Parents and Carers,

Hello Yellow Day – Friday 9th October

We will again be taking part in 'Hello Yellow Day' to show our support for the charity Young Minds. On this day, we ask that everyone in the school community come to school wearing something yellow. This could be a t-shirt, pair of socks or as small as a yellow hair bobble. **Please note – we do not expect families to buy something especially for this event.**

As a school, we put a huge emphasis on talking to the children about their mental and physical health and wellbeing and this interwoven into each and every day. During 'Hello Yellow Day', each class will take part in additional activities focusing on mental health and wellbeing.

Parents' Evening – Monday 12th October (3:30-5:30pm)

We would like to invite all parents and carers to our next Parents' Evening. This will be held in school on Monday 12th October between 3:30pm and 5:30pm. Parents' evening is an important opportunity for you to meet with your child's teacher to celebrate your child's progress and discuss next steps with their learning.

Please could you email the school office with preferred timings and we will allocate a 10 minute appointment with your child/ren's teacher/s on a first come, first served basis. Timings will be confirmed by the end of the school day on Friday 9th October.

Arbor Parents App

As a school, we use the Arbor Parent App. The Arbor Parent App is designed to be user-friendly and is a secure platform that provides instant access to essential information about your child's school life. From attendance records to school meals, the app ensures that you stay informed and up to date. Currently, we are using the app to allow parents to pay for school meals. To note - Children in Reception, Year 1 and Year 2 all receive free school meals as part of the Universal Free School Meals policy. Children in Years 3 – 6 will be charged £2.60 per day for hot meals prepared by school.

Over the course of the year, we may add other features. We will inform you of these when they are added. Today, a password reset email has been sent to all families. If you have any ongoing issues with accessing the app, please let the school office know via email and we will support as best we can.

Forthcoming Events
